DEPARTMENT OF ZOOLOGY  
B.Sc. I SEM (ZOOLOGY) 2025-2026

### NOTICE

Continuous Internal Assessment (CIA) Schedule – B.Sc. I Semester (Zoology Major & Minor)  
Academic Session 2025–26

The Department of Zoology hereby announces the schedule for Continuous Internal Assessment (CIA) for students of B.Sc. I Semester (Major and Minor). The assessment will comprise **two written assignments** and **two internal tests** conducted as per the schedule below.

#### Assignment Schedule

| S.No. | Paper    | Paper Name                       | Assignment   | Date of Assignment | Date of Submission |
|-------|----------|----------------------------------|--------------|--------------------|--------------------|
| 1.    | Paper I  | Protozoa, Porifera, Coelenterate | Assignment 1 | 11.10.2025         | 17.10.2025         |
|       |          |                                  | Assignment 2 | 17.10.2025         | 30.10.2025         |
| 2.    | Paper II | Platyhelminthes, Aschelminths    | Assignment 1 | 11.10.2025         | 17.10.2025         |

#### Test Schedule

| S.No. | Paper    | Paper Name                       | Test       | Date & Time        |
|-------|----------|----------------------------------|------------|--------------------|
| 1.    | Paper I  | Protozoa, Porifera, Coelenterate | MCQ Test 1 | 01.11.2025 10:00am |
|       |          |                                  | MCQ Test 2 | 08.11.2025 10:00am |
| 2.    | Paper II | Platyhelminthes, Aschelminths    | MCQ Test 1 | 01.11.2020 11:00am |

Additionally, it must be ensured :

1. **For Zoology (Major)** – All students are required to submit both assignments (I & II) and appear in both internal tests (Test I & II) as part of the Continuous Internal Assessment.
2. **For Zoology (Minor)** – Attendance in both internal tests (Test I & II) is compulsory.
3. Assignment topics and detailed instructions have already been shared. Students must ensure timely submission in accordance with the above schedule.
4. No alternative arrangement will be provided for missed submissions or tests. Failure to comply will result in the student being marked absent for CIA evaluation.
